### Principal's Desk

**E**ducation is about awakening, awakening to the power and beauty that lies within all of us. It is

not just about bricks, mortar and concrete, but about building character, enriching minds and about varied experiences that last a lifetime.

**S**t. Ann's School's vision is to provide the students the all round development including creativity, observation and knowledge empowerment leading to the generation of excellent, performing citizens with sterling character. We, at St. Ann's are committed to the improvement and growth of students community. We are convinced that the education's purpose is to replace an empty mind with an open one.

I expect sincere co-operation from parents and guardians for the attainment of school's objective.
