A News Letter of St. Ann's Eng. Med. School & Jr. College, Lonand

Vol.XV
Oct.2024

Principal's Message-

Dear Students, Parents, and Staff,

As we reach the mid of the academic year, it's essential to reflect on the core values that guide our school community. Values such as respect, integrity, empathy, and perseverance are not just words; they are the foundation of our educational environment and influence how we interact with one another.

Respect for each other fosters a sense of belonging and encourages open dialogue, while integrity shapes our character and builds trust. Empathy allows us to understand and support one another, creating a compassionate community. Lastly, perseverance teaches us the importance of resilience and hard work, reminding us that challenges are opportunities for growth.

As we continue this journey together, let's commit to upholding these values in our daily actions. By doing so, we not only enhance our own experiences but also contribute positively to the world around us.

Thank you for your ongoing support and dedication to our school.

Sr. Vincy Maria
Principal
